Textile Ink & Cartridge

Textile Ink prints directly on a media using dispersed dye ink, and immediately gets images through heat treatment, saving much more time and space rather than using dye sublimation ink. The vividness and color bleeding may create differences depending on media. Currently, it has excellent application to the coated pongee media.

FEATURES

- ▲ 100% guarantee of safety on a print head
- ▲ A stable color after printing
- ▲ A type of cartridge which can be used easily

BENEFITS

- ▲ An excellent printing quality like OEM ink
- ▲ Over 50% lower price than OEM ink
- ▲ Credible service
- ▲ Bulk ink for a user in volume

Refill kit, cartridge & bulk ink for

HP Designjet Plotter

HP Designjet 5000/5500 is compatible & similar with print image of OEM inks.

The merits of this product are glossy effect, excellent light fastness, bright color gamut on all kind of media.

You can get better excellent printing image than photo printing.

FEATURES AND BENEFITS

- Easy readable manual and easy refill tools to use
- Print image as same as the result with OEM ink
